Elaborating upon the details the Minister said that this programme will be a step forward in the direction of fulfilling the vision of digital India of our Prime Minister Shri Narendra Modi. She further said that with the launch of KV Shaala Darpan, parents will get entire information at a unified platform about their children in respect of the attendance status, performance, health challenges and entire academic record from Ist to XIIth standard. Students will have facilities of e-tutorials and learning aids to enrich their knowledge. She made an appeal to the parents not to put unnecessary pressure on the children while availing the facility of getting instant information under this system.

Earlier Minister of State for Human Resource Development, Shri Upendra Kushwaha said that KV Shaala Darpan programme will work in the direction of bringing transparency in administration and governance. This programme will ensure saving of money, time and paper. He further appealed to parents to devote maximum time to their children in the interest of their complete development.

A documentary film was also shown on the occasion with focus on the KV Shaala Darpan project and how it will enhance school's overall academic delivery systems and serve as a platform to deliver service to students, parents, teachers, alumni and the school management. The project will link all 1100 Kendriya Vidyalayas.

The senior officers of Ministry of HRD as well as Kendriya Vidyalaya Sangathan were also present on the occasion.
