

एक भारत श्रेष्ठ भारत

KENDRIYA VIDYALAYA SANGATHAN PATNA REGION

# INTRODUCTION

Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. The states carry out activities to promote a sustained and structured cultural connect in the areas of language learning, culture, traditions & music, tourism & cuisine, sports and sharing of best practices, etc.

## BACKGROUND AND NEED

India is a unique nation, whose fabric has been woven by diverse linguistic, cultural and religious threads, held together into a composite national identity by a rich history of cultural evolution, coupled with a freedom struggle that was built around the tenets of non-violence and justice. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future.

Time and technology have narrowed down distances in terms of connect and communication. In an era that facilitates mobility and outreach, it is important to establish cultural exchanges between people of different regions, as a means to further human bonding and a common approach to nation-building. Mutual understanding and trust are the foundations of India's strength and all citizens should feel culturally integrated in all corners of India. Students from the north-east, for example, should not feel like 'strangers in a strange land' when they arrive in Delhi, or a person from Uttarakhand should not feel like an outsider in Kerala.

## CONCEPT OF EBSB

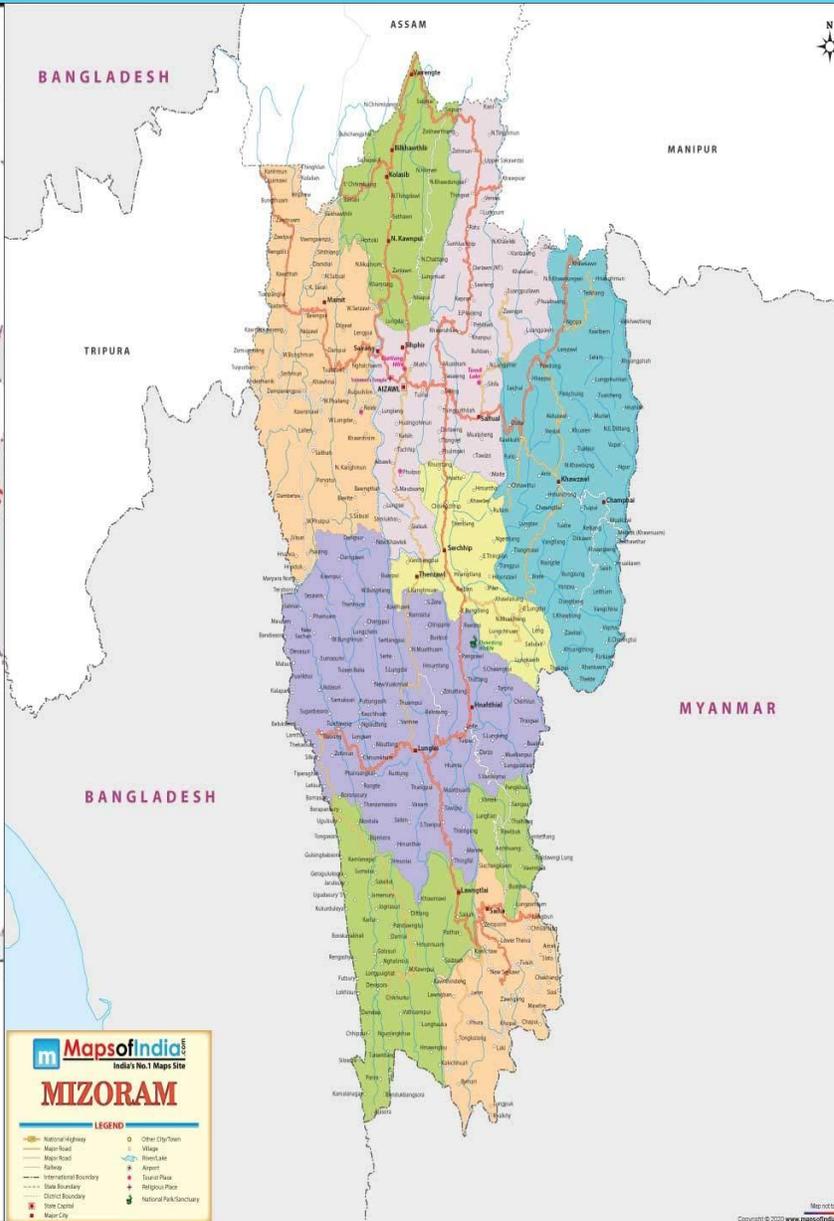

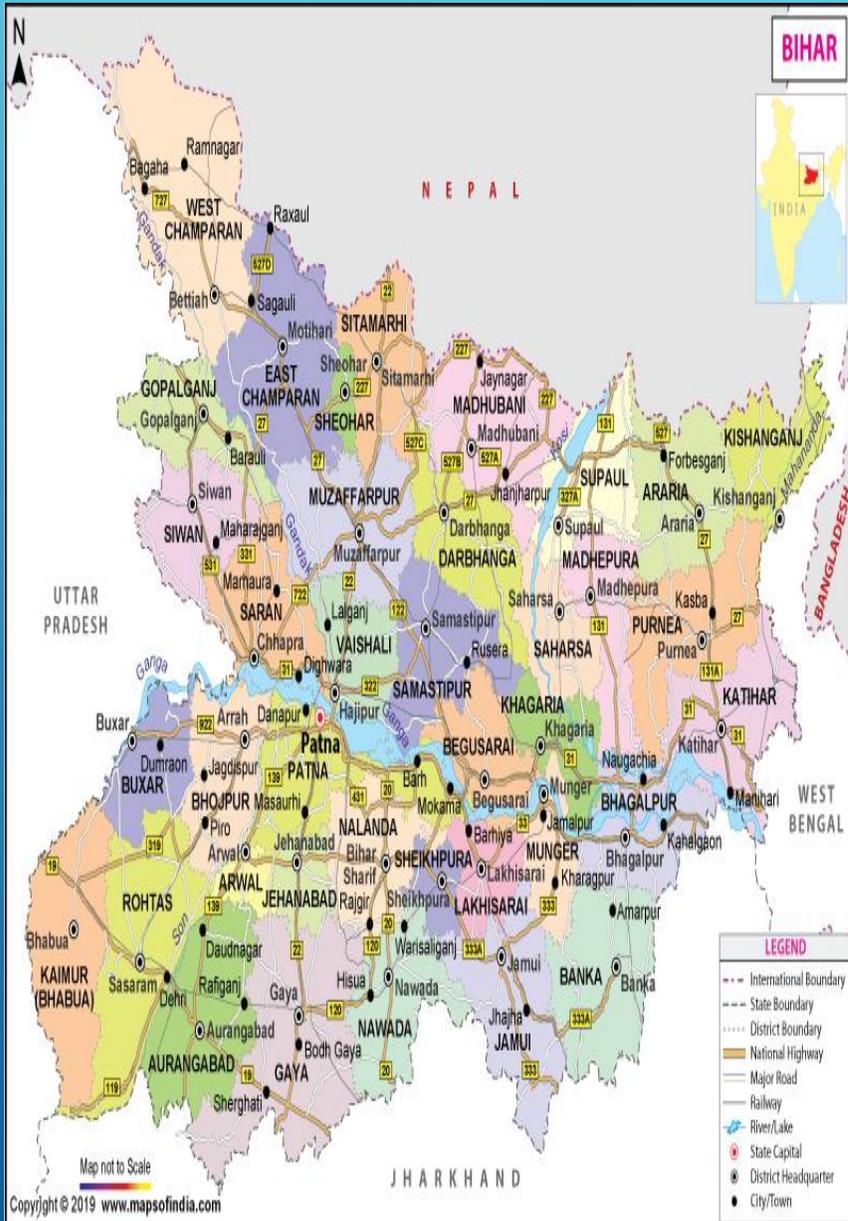

The idea of a sustained and structured cultural connect between people of different regions was mooted by Prime Minister Shri Narendra Modi during the Rashtriya Ekta Divas held on 31st October, 2015, to commemorate the birth anniversary of Sardar Vallabhbhai Patel. Hon'ble Prime Minister propounded that cultural diversity is a joy that ought to be celebrated through mutual interaction & reciprocity between people of different States and UTs so that a common spirit of understanding resonates throughout the country. Every State and UT in the country would be paired with another State/UT for a time period, during which they would carry out a structured engagement with one another in the spheres of language, literature, cuisine, festivals, cultural events, tourism etc. For example, Andhra Pradesh is paired with Punjab for During this period, Punjabis would attempt to learn key words in Telugu, a few Telugu books would be translated into Punjabi & vice-versa, Andhraites would hold food festivals offering Punjabi dishes, Punjabis would perform Andhra folk dances, while Andhraites would perform Bhangra at staged events etc. This pattern of cultural adoption of the partner State/UT would be followed by all states and UTs.

## HOW EBSB HAS BEEN TAKEN AHEAD

States/UTs in India have been paired with each other for a fixed time period. The paired States/UTs signed MoUs with each other, delineating a set of activities that they would carry out. An activity calendar for each pair was prepared through mutual consultation, paving the way for a systematic process of mutual engagement. Such interaction between different segments of the population of each pair of States /UTs at the cultural level, generated the vibrance of understanding & appreciation amongst the people and forged mutual bonding, thus securing an enriched value system of unity in the nation. The same pairing of States/ UTs will continue till June 2021. The pairing of States/ UTs is available on the website.

## Bhasha Sangam

“Ek Bharat Shreshtha Bharat” has been initiated to celebrate the spirit of national integration. Bhasha Sangam enhances the unique symphony of languages of our country and is an expression of our shared dreams, hopes, values and aspirations for one India.

India’s richness is marked by her cultural, ethnic and linguistic diversity. In order to celebrate these unique features of our country, the Bhasha Sangam initiative under the Ek Bharat Shreshtha Bharat ushers in a programme for schools and educational institutions to provide multilingual exposure to students in Indian languages listed in Schedule VIII of the Constitution of India. This initiative is just the beginning of a journey meant to create interest in these languages and a curiosity to learn more. It will be followed by other activities subsequently.

## Objectives of Bhasha Sangam

1. To introduce school students to all the 22 Indian Languages of Schedule VIII of the Constitution of India.
2. To enhance linguistic tolerance and respect, and promote national integration.

The image shows a banner for the Bhasha Sangam initiative. At the top, it features the MHRD logo and the text: "MHRD | Government of India | Ministry of Human Resource Development | Department of School Education and Literacy". Below this, the title "Bhasha Sangam" is written in a stylized font, followed by the subtitle "Celebrating the Linguistic Diversity of India". The central part of the banner depicts a row of ten diverse cartoon characters, each with a speech bubble containing a greeting in a different Indian language: नमस्कार! (Hindi), नमस्काव! (Marathi), खुलुमबाय! (Kannada), നമസ്കാരം! (Malayalam), नमोनम: ! (Gujarati), नमस्ते ! (Tamil), सडि मी अवाळ ! (Telugu), గమరకార ! (Telugu), नमस्कार ! (Hindi), and ನಮಸ್ಕಾರ ! (Kannada). At the bottom, there is a purple bar with the text "EK BHARAT SHRESHTHA BHARAT" in white. On the left side of this bar is the "150 YEARS OF CELEBRATING THE MARATHI" logo, and on the right is the "EK BHARAT SHRESHTHA BHARAT" logo.

## KOKBOROK Poem

Ek Bharat  
Shreshth Bharat

The bird which is going to fly don't try catch it there's no meaning in trying it up and holding it back Add extra pair of wings let it fly there's no meaning in lying it up and holding it back Add extra pair of wings let it fly If it returns before sunset then you keep it with yourself do not search for it which is the most beautiful in this world do not search for it which is the most beautiful in this world but you search for it for which this world is beautiful but you search for it for which this world is beautiful the most beautiful thing for you in this world the most beautiful things for you in this world is to witness it laughing the most beautiful thing for you in this world. is to witness it laughing what is the most beautiful than this If you are the reason behind it's laughter what is the more beautiful than this If you are the reason behind it's laughter no matter how high and far it flew away It already left a feather behind no matter how high and far it flew away it already left a feather behind.

## NEIGHBOUR STATES and country

Tripura is one of the seven states that together form the "seven sisters" chain. It shares its borders with two Indian states of Assam and Mizoram, and with Bangladesh.

## INTRODUCTION

Tripura is a hilly state in northeastern India. It's the third smallest state in the country, covering 10,491 km<sup>2</sup> only. The number of people residing here in 2020 is estimated to be 4 Million (41 Lakhs) till 31, May 2020. Its Capital is Agartala, which is the biggest city in the state, covering 76.51 km<sup>2</sup>. The state is known for its handicraft, particularly hand-woven cotton fabric, wood carvings, and bamboo products.

## FOOD

In Tripura, most of the people are non-tribal Bengalis who nearly live on rice, fish and vegetables. The most famous dish of the state is Mui Borok – which is prepared with Berma (dried and fermented fish).

## CLIMATIC CONDITIONS

The climate of Tripura exhibits a seasonal rhythm. The state is characterized by a warm and humid tropical climate with five distinct seasons: spring, summer, monsoon, autumn, and winter. The recorded maximum temperature is 35.60°C. Humidity is generally higher throughout the year.
